

EASY PEEL LABEL

RAW ORGANIC CAYENNE POWDER

Raw, organic Cayenne Pepper (also called *Capsicum annuum*) is a stimulating powder made from the dried pods of hot chili peppers. The active ingredient is capsaicin, which is what gives peppers their heat. It's easy to add Cayenne Pepper Powder to your diet when added to your favorite dishes to taste, but be sure to do a taste test, as cayenne is spicy.

BENEFITS:

Adds spice to any dish.

SUGGESTED USE:

Sprinkle 1 scoop on foods to taste for added spice.

Raw • Organic • Vegan • Non-GMO • Gluten Free
