Discussion: Ortho Ease supports joint and bone health, using a studied blend of ingredients named Univestin™.*

Directions: Take 1-2 capsules twice daily, one hour before or after food, or as directed by a qualified health care practitioner.

Warning: Consult your physician before use if you are pregnant, lactating, have a medical condition, or are taking any medication. Keep out of reach of children.

Caution: Consult a health care practitioner prior to use, if you have had stomach ulcers, if you have or are predisposed to liver disorders, or if you're taking blood thinners (e.g. warfarin), medications or natural health products that may affect the liver or have anti-inflammatory effects. Discontinue use and consult a health care practitioner if you develop symptoms of hypersensitivity or allergy, or if you develop liver related symptoms.
