Discussion: T-100™ is a glandular formulation for the support of a healthy thyroid.*

Directions: Take 1 tablet 1-2 times per day with food, or as directed by a qualified health care practitioner.

Warning: Do not use if you are pregnant or lactating. Consult your physician before use if you have a medical condition, or if you're taking any medication. Keep out of reach of children.

Caution: May cause gastrointestinal disturbances such as epigastric burning sensation and nausea. Consult a health care practitioner prior to use if you are following a low protein diet. Discontinue use if rash develops.
