Discussion: Seasonal Ease contains an evidence-based combination of probiotics, botanicals, vitamins and nutrients to support a proper immune function.*

Directions: Take 2 capsules daily with food at least 2-3 hours before and after taking other medications (including antibiotics) or as directed by a qualified health care practitioner.

Caution: Stop use and seek medical attention immediately if you experience dizziness, confusion, muscle weakness or pain, abnormal heart beat, or difficulty breathing. If symptoms of digestive upset (e.g. diarrhea) occur, worsen, or persist beyond 3 days, discontinue use and consult a health care practitioner. This product contains corn derived ingredients, do not use if you have an allergy.

Warning: Do not use if pregnant, lactating, or if you have an immune-compromised condition (e.g. AIDS, lymphoma, patients undergoing long-term corticosteroid treatment, heart disease, high or low blood pressure, kidney or liver disorder, diabetes, edema, or if you are taking products containing diuretics). Consult a health care practitioner prior to use if you have fever, vomiting, bloody diarrhea, severe abdominal pain or if symptoms persist or worsen. Keep out of reach of children.
