Discussion: Prostate Support is defined pollen extract. This non-bee pollen is produced by blending fat- and water-soluble extracts from specific pollens in characteristic to provide support for prostate health.*

Directions: Take 1 capsule 1-3 times daily with or without food, or as directed by a qualified health care practitioner.

Warning: Consult your physician before use if you are pregnant, lactating, have a medical condition, or if you're taking any medication. Keep out of reach of children.

Caution: Consult a health care practitioner prior to use to exclude a diagnosis of prostate cancer. Hypersensitivity has been known to occur, in which case discontinue use. May cause mild gastrointestinal discomfort or nausea. Do not use if you are allergic to flower pollen.
