- Store Tightly Sealed in a Cool, Dry Place

Discussion: Peak K2 is menatetrenone (MK-4), a form of vitamin K2 made in the body from phylloquinone (vitamin K1) and distinct from the menaquinones made by probiotic bacteria.

Directions: Take 1 capsule 1-3 times a day up with food, or as directed by a qualified health care practitioner.

Caution: Do not take Peak K2 in combination with anticoagulants (example: warfarin) unless advised to do so by your physician.
