Serving Size: 1 Capsule

Serving per container: 30

Pterostilbene 99%

250 mg

PteroActiv is a highly purified, bio enhanced form of the resveratrol analog Pterostilbene. Pterostilbene attenuates various transcription factors, proteins, and biological processes. PteroActiv is an advanced and highly potent dietary supplement that is designed for use by medical researchers, physicians and informed consumers. It contains none of the additives, fillers and other extraneous ingredients used in other supplements. We guarantee your satisfaction.

Other Ingredients: None, no fillers, expanders or any other inert or non-functional ingredients.

Usage Instructions: Take one capsule at least 45 minutes prior to having breakfast upon waking each morning. Not to be used by children under the age of 12, or by pregnant or lactating women without the recommendation of one's physician.

Storage Instructions: Keep in cool dark place or refrigerate. Replace cap tightly after use.
