Supplement Facts

Serving Size 1 Capsule

Amount Per Capsule

L-Threonine	500 mg*
-------------	---------

*Daily Value not established.

Other Ingredients: Vegetable Cellulose, Vegetable Stearic Acid, Vegetable Magnesium Stearate, Water. May contain vegetable glycerin.

SUGGESTED USE: As a dietary supplement for adults, one (1) vegetable capsule daily with juice or water, between meals, or as directed by a healthcare practitioner.

If you are pregnant, nursing, taking any medication or have a medical condition, please consult your healthcare practitioner before taking any dietary supplement.

L-Threonine is an essential amino acid.

Long chains of molecularly bonded individual amino acids form protein. The body must first break these molecular (peptide) bonds for amino acid absorption to take place. Solgar's free form amino acids are already in their simplest form (no peptide bonds) and can be readily absorbed into the bloodstream.

DO NOT USE IF OUTER BOTTLE SEAL IS MISSING, TORN OR DAMAGED IN ANY WAY.
