DIETARY SUPPLEMENT

D-RIBOSE

FOR WORKOUT, ENERGY, AND RECOVERY*

1,000 MG • 60 TABLETS

Supplement Facts

Serving Size 3 Tablets

Servings Per Container 20

	Amount Per Serving	%DV
Calories	15	
Total Carbohydrate	3 g	1%*
Sugars	3 g	†
Calcium (as dibasic calcium phosphate)	56 mg	6%
D-Ribose	3 g	†

*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: dibasic calcium phosphate, stearic acid, magnesium stearate, modified cellulose gum, and silica.

Suggested Use: 3 tablets 1 to 2 times daily with meals.

CAUTION: If you are pregnant, may become pregnant, breast-feeding, have gout or any glucose metabolism disorders such as diabetes or hypoglycemia, or if are taking any prescription drug, consult your health care professional before using this product.

During strenuous exercise, large amounts of ATP, the body's primary energy-carrying molecule, can be lost from the heart and skeletal muscle cells. D-Ribose is a simple 5-carbon monosaccharide, or pentose sugar, that is used by the body to synthesize nucleotides, nucleic acids, glycogen, and other important metabolic products. Supplemental D-ribose bypasses the rate limiting steps that are slow to replenish lost nucleotides, thus providing an efficient way to renew energy in a short amount of time.*

STORE IN A COOL, DRY PLACE.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no starch, preservatives, or artificial color, flavor or fragrance.
