

Tēgreen 97® is a green tea extract, containing 97% polyphenols (65% catechins), that promotes long-term cellular health.*

DIRECTIONS FOR USE: As a dietary supplement, take one (1) to four (4) capsules daily; preferably one (1) to two (2) each morning and evening with food. Maximum recommended serving of four (4) capsules daily (1,000 mg). Do not exceed 1,200 mg green tea in combination with other green tea-containing supplements. Store in a cool dry place.

WARNING: Keep out of reach of children. Consult a physician prior to use if pregnant or lactating, or using prescription medication. Discontinue 2 weeks prior to and after surgery. Discontinue use and consult a physician if any adverse reactions occur.
