

Thank you for choosing EndorphiGen® by Lidtke. We sincerely wish the best of health for you and your family.

Research shows stress and pain, such as muscle pain following exercise, often cause the release of endorphins. LIDTKE EndorphiGen® is designed to help your body maintain these healthy levels. Natural Endorphins:

- Ease minor pain*
- Promote cardiovascular health*
- Promote a cheerful mood*

Lidtke stands behind each product and guarantees customer satisfaction for 365 days from the date of purchase.
