CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.

KEEP OUT OF REACH OF CHILDREN.

VL 205-100L

A water-soluble vitamin, **B-12** is essential for proper energy metabolism, nerve and mental function, red blood cell formation, and cardiovascular health. It is important for everyone, but especially for vegetarians and seniors who tend to be lacking in B12.*

Prolonged release is an advanced manufacturing technique which allows nutrients to be released slowly (over approximately 2-4 hours) promoting optimal assimilation.
