

Thank you for choosing L-Tryptophan Chewable by Lidtke. We sincerely wish the best of health for you and your family.

L-Tryptophan is a natural building block of serotonin, the neurotransmitter that plays an important role in appetite, mood, normal sleep patterns, and nervous-system health.*

At Lidtke, we believe in using only the finest quality ingredients available. Lidtke L-Tryptophan is vegetarian, kosher and non-GMO.

Lidtke stands behind each product and guarantees customer satisfaction for 365 days from the date of purchase.
