

SUGGESTED USE: Take one softgel up to two times daily with food.

CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.

Borage Oil is an excellent source of gamma-linolenic acid (GLA), linoleic acid, and other important fatty acids. These nutrients play a major role in maintaining heart, skin, cell membrane, and nerve health. Our Borage Oil supplement assists the body as its ability to convert linoleic acid into gamma-linolenic acid declines.[†]
