

SUGGESTED USE: Take one tablet daily with food.

CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish. Suitable for vegans.

Vitamin C is considered a "staple" in any supplement routine. Its powerful antioxidant properties, ability to promote healthy skin, and support of the immune system, help maintain overall health.¹

The buffering action of calcium ascorbate in our **Buffered C** lowers acidity offering better tolerance for those sensitive to gastric irritation. It also incorporates an advanced manufacturing technique which allows nutrients to be released slowly (over approximately 2-4 hours) promoting optimal assimilation.¹
