pharmax

Clear Four is a convenient way to provide the following groups of ingredients in four easy-to-take capsules and tablet. Each package contains 30 portable strips to enhance patient compliance.

1. **Delayed release allicin**
2. **Allicin with cinnamon**
3. **Allicin with caprylates**
4. **Probiotic providing 25 billion CFU with NAG, L-glutamine and beta-carotene**

Human Lactic Commensals (HLC®) probiotics have been extensively researched, including randomized, placebo-controlled human clinical trials. These proprietary strains are compatible with the human gastrointestinal tract and are selected based on their high quality and viability.

CLEAR FOUR

dietary supplement

30 day supply

pharmax

Recommended adult intake: One serrated strip, containing three capsules and one tablet, taken once daily with a meal, or as professionally directed.

Risk information: Do not use if you are pregnant or breastfeeding, have stomach or duodenal ulcers, an immune-compromised condition or hypersensitivity to cinnamon or Peru balsam. Consult your healthcare practitioner prior to use if you are taking any medication or have any health condition. Discontinue use and consult your healthcare practitioner if symptoms of digestive upset occur. Hypersensitivity to garlic has been known to occur, in which case discontinue use.

Safety-sealed for your protection and for product freshness. Do not use if the blister pack has been tampered with. Store in a cool, dry place.

Keep out of reach of children.
