consistency

Ready, Set,

Gulp!

MIXING INSTRUCTIONS:

How to Mix:

In a shaker bottle with a whisk ball

Start with 10 oz. scoop(s) of Vitargo of water SHAKE 10 oz. vigorously

WHEN to Take

Before, between, or during exercise/competition

· You can mix in your favorite non-carb supplements (protein, pre-workouts, amino acids, electrolytes). Vitargo rapidly empties from your stomach—bloat-free fueling!

After-training/competition

 Take 1 to 2 scoops as soon as possible after finishing. Vitargo can be combined with your favorite post-workout, zero/low carb supplements (like protein powder). For optimal recovery follow supplementation with a nutrient-rich meal.
