

DIRECTIONS: Take one capsule one to two times daily with food, or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

Cholest Away features policosanol, a substance isolated from sugarcane wax that is used to support blood lipid metabolism. It is combined with Magnesium Chelate, Village Vitality, LLC's proprietary blend of two Albion® magnesium chelates. These forms of magnesium are known to be well tolerated and have excellent bioavailability. Combining policosanol and Magnesium Chelate is thought to complement each component's cardioprotective benefits.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep closed in a cool, dry place out of reach of children.

DOES NOT CONTAIN: Wheat, gluten, corn, yeast, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, eggs, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or artificial preservatives.
