

(Phyto = Plant) • (Kinetic = Energy & Strength)

Proprietary Bioactive OsteoComplex combines the optimum level of organic marine-source Calcium with 1,000 IU Vit. D₂ and Bioperine® for increased calcium and nutrient absorption.*

Organic, Marine-Source AlgaeCal® Calcium with 70+ naturally co-occurring trace minerals supports activity of bone building cells needed for building strong, healthy bones. AlgaeCal® at 750 mg has been researched to maintain bone mineral density as effectively and with better tolerability than other calcium supplements at potencies of 1,200 mg.*

Minerals enhance metabolic pathways that replenish and optimize energy, performance, and organ function.

Strontium may help support bone strength and bone growth.*

Adequate Calcium & Vitamin D throughout life, along with physical activity, may reduce the risk of osteoporosis in later life.

SUGGESTED USAGE: 3 capsules a day.

Produced in our certified organic facility.

KEEP OUT OF REACH OF CHILDREN.
