Contains Milk.

NuLife® Advanced Bariatrics Multivitamin is the same great formula as NuTherapy® Bariatrics Support Chewable Multi.

Post-operative bariatric patients face unique digestive challenges due to reduced food intake and decreased absorption of several key micronutrients; this can leave them prone to certain nutrient deficiencies. Many dietary supplement forms such as capsules and regular tablets can be difficult for these individuals to digest and absorb. NuLife® Advanced Bariatric Multivitamin Chewable Tablets are specifically formulated to support the nutritional needs of bariatric surgery patients.* These delicious chewable tablets contain no artificial colors or flavors and deliver 100% daily value of 12 important vitamins along with 7 key minerals, including 9 mg of highly absorbable Iron to help meet daily requirements.*

Manufactured in the USA

Keep out of reach of children. If you are pregnant or nursing, taking any medication or have any medical condition, consult a health care professional before use. Do not purchase if seal is broken. Store in cool dry place and protect from heat, light and moisture.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.
