BENE

Benesom® is formulated to promote a restful, relaxed state and relieve occasional sleeplessness by beneficially modulating the metabolism of melatonin and promoting relaxation.*

Directions: Take 1-2 tablets approximately 30 minutes prior to sleep or as directed by your healthcare practitioner.

This product is non-GMO, gluten-free, and vegetarian.

Warning: Do not use if pregnant or nursing.

Caution: For adult use only. Avoid use with history of seizures or depression, if taking benzodiazepines or sedating medications, or if consuming alcohol. If taking medications, including anticoagulants, or experiencing long term sleep difficulties, consult your healthcare practitioner before use. Use with caution if driving or operating machinery. Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.
