WHO WE ARE Universal Nutrition has been providing cutting edge and staple nutritional supplements to bodybuilders and hard training athletes the world over since 1977. As time passes, certain ideals never go out of style. Honesty. Integrity. Respect. These are the values we uphold and are the bedrock upon which we built our business. **WHAT IT IS** Proton 7™ is a premium protein powder, built around an advanced multi-blend protein matrix that contains an optimal ratio of fast and sustained release proteins. In addition to Proton 7™ containing 23g of ultra-premium protein per scoop, each serving is also packed with 5g of fiber and 5g of EFA, and is further rounded out with a specialized protease mixture to ensure utmost bio-availability, digestibility and maximum amino acid levels in the bloodstream. And best of all, Proton 7™ is designed to be used any time throughout the day. **HOW WE BACK IT UP** What is on the label is in the bottle and what is in the bottle will help you reach your goals. We believe it and proudly stand behind every product we manufacture. Our word is our bond.
