Inflamma-X includes helpful enzymes, herbal extracts, and herbs that help calm inflamed tissues.*

Turmeric (Meriva®) - A patented, clinically studied and optimized Turmeric extract in Phytosome® form, that supports the healthy inflammatory response*

Boswellia - Also known as Indian Frankincense, Boswellia is a tree resin that has been used in Ayurveda for centuries to quiet inflammation throughout the body*

Tart Cherry (VitaCherry®) - A rich source of antioxidants, Tart Cherry protects against free radicals*

Bromelain - An enzyme extracted from pineapple, Bromelain may inhibit pro-inflammatory compounds in the body*

Protease Enzymes - These enzymes break down proteins that may undermine tissue health*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
