Mobili-T® assists in free movement of the joints by providing building blocks for new cartilage and collagen synthesis.*

Collagen — The main building block of the cartilage and structural proteins found in joints*

Glucosamine — Stimulates the production of glycosaminoglycans (the key structural components of cartilage)*

MSM — Provides sulfur, a vital building block of joints, cartilage, skin, hair and nails*

Chondroitin — Promotes cartilage health by providing the building blocks for the body to produce new cartilage*

Turmeric — Helps support a healthy inflammation response*
