At Barlean's, our family has been making healthy oils for nearly 30 years. We're big believers in the power of nature, and when it comes to powerful compounds, there are few that compare to Cannabidiol (CBD).

We create our Extra Strength Ideal CBD using industrial hemp from American farms. Not only is it sourced close to home, it includes a full spectrum of cannabinoids and other micronutrients. From our family to yours – *Carpe CBDiem!*
