Cardiogenics® Intensive Care provides support for heart muscle health. It features extracts of hawthorn and arjuna, which help support heart muscle function and may additionally aid blood vessel dilatation. Complementing these herbs is a blend of amino acids and minerals—including magnesium, potassium, and calcium—that play important roles in healthy heart muscle function.*

Directions: Take three tablets once daily or as directed by your healthcare practitioner.

This product is non-GMO, gluten-free, and vegetarian.

Caution: If pregnant or nursing, or taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.
