Buffalo Liver is a special formula that provides the rich nutrient blend found in the livers of buffalo, including vitamin B-12, iron, and copper. The buffalo used are part of a private, range-fed herd that's raised naturally on pristine, mountainous land without the use of antibiotics, steroids, or other drugs. Each serving contains 3 grams of buffalo liver concentrate, which supports healthy blood production and maintenance.*

✓ **Gluten-free**

✓ **No Artificial Preservatives**

KEEP OUT OF THE REACH OF CHILDREN.

Warning: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.
