Protrypsin® is a proteolytic enzyme formula designed to support tissue health. It features premium-grade chymotrypsin and trypsin, independently assayed to ensure potency. This formula is enteric-coated for maximum effectiveness.*

Directions: Take two tablets one to three times daily between meals or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Caution: If pregnant or nursing, consult your healthcare practitioner before use or if taking other nutritional supplements or medications. Do not use if there is a prior history of or a current peptic or duodenal ulcer. Do not use in individuals who have a known allergy or hypersensitivity to pork or pork protein. Keep out of the reach of children.

Storage: To help maintain potency after opening, keep this bottle tightly closed and store in a cool, dry place.

Do not refrigerate. Refrigeration may cause moisture condensation on the product.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
