ECM

LEC015P4

EC Matrixx® is designed to support the health of connective tissue by positively influencing the extracellular matrix, a key component of tendons, ligaments, and cartilage. This advanced, mechanism-specific formula features berberine and THIAA, which have been shown in laboratory research to influence MMP-13, an enzyme associated with the health of connective tissues.*

Directions: Take two tablets initially, followed by one tablet three times daily with food, or as recommended by your healthcare practitioner.

This product is non-GMO, gluten-free and vegetarian.

Caution: Do not use if pregnant or nursing. If taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.

Certified

Gluten-Free

Storage: Keep tightly closed in a cool, dry place.
