UltraLean Body Composition Formula

UltraLean Body Composition Formula is a powdered nutritional beverage that provides both macro and micronutrients for individuals who want to support healthy body composition or maintain healthy weight. This product should be used in conjunction with at least one balanced meal per day, consisting of 450-500 calories of fresh, whole foods from the four basic food groups.*

Suggested Use:

Blend, shake, or briskly stir 1 serving (2 level scoops) into 8 oz. of water or beverage of choice one to three times per day or as directed by a healthcare professional.

Keep tightly capped and store in a cool, dry place. If pregnant or breastfeeding, consult your healthcare professional before use. **KEEP OUT OF REACH OF CHILDREN.** Do not use if either tamper-evident seal is broken or missing.

*These statements have not been evaluated by the F.D.A. This product is not intended to diagnose, treat, cure or prevent any disease.
