ULTR

Ultra Potent-C® 500 is a proprietary, patented vitamin C formula that features a buffered delivery system designed to help prevent the potential stomach upset sometimes associated with high vitamin C intake. Ultra Potent-C 500 may help support healthy immune function and is a good source of antioxidants from vitamin C. Preliminary scientific research suggests that vitamin C in the form of Ultra Potent-C may result in improved uptake of the vitamin by white blood cells when compared to regular ascorbic acid.*

Directions: Take one tablet three times daily or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Caution: Keep out of the reach of children.
