### Yoga to Energize the Body

Bend over and place your hands on the ground. Keeping your knees as straight as possible begin walking around the room on your hands and feet. Use normal breath and continue for 1 to 5 minutes. Please ask your doctor if this exercise is suitable for you.

Our story began in 1969 when Yogi Bhanan, an inspirational teacher of holistic living, started teaching yoga in the West. While sharing his wisdom and knowledge of herbs and healthy living, he would serve his students an aromatic spiced tea they affectionately named "Yogi Tea".
