

UltraFlora® Restore is a clinically tested probiotic containing 4 different strains of live bacteria to support healthy intestinal microbial stability and relief of occasional loose stools.*

Visit **WhyUltraFlora.com** for more information.

Directions: Take one capsule daily or as directed by your healthcare practitioner.

This product is non-GMO, gluten-free, and vegetarian.

Notice: Stability studies indicate that all probiotics should be shipped under temperature control to maintain potency (CFU). For best results, keep tightly closed in a cool, dry place.

No refrigeration required.

Tamper Evident:
Do not use if safety seal is missing or broken.
