UltraFlora® Intensive Care is an extensively researched strain of "friendly" bacteria, LP299V®, designed to help relieve occasional irritation and bowel discomfort, support the integrity of the gastrointestinal barrier, and support immune health.*

Directions: Take two capsules daily or as directed by your healthcare practitioner.

This product is non-GMO, gluten-free, and vegetarian.

Caution: Keep out of the reach of children.

Notice: Stability studies indicate that all probiotics should be shipped under temperature control to maintain potency (CFU). For best results, store in a cool dry place or keep refrigerated.
