## Ultra Pure Whey Protein Vanilla

Ultra Pure Whey Protein is a high quality whey protein that is low in fat and carbohydrates and is 96% lactose free. Whey protein has the highest biological value of any protein and supplies all essential and non-essential amino acids. Ultra Pure Whey Protein is designed by a multi-patented ultrafiltration process at controlled temperatures and pH to prevent the protein from breaking down and becoming inactive. Ultra Pure Whey Protein is designed for individuals who want to increase protein intake and is suitable for both children and the elderly. Ultra Pure Whey Protein is "instantized" for convenience and taste. Ultra Pure Whey Protein provides high amounts of naturally occurring immunoglobulins. Immunoglobulins are powerful antibodies that may help with immune function.\*

### Suggested Use:

Add 2 scoops (23.7 grams) to 8-12 fluid ounces of milk, juice, or blended smoothie mixture, or as directed by your healthcare professional.

Keep tightly capped and store in a cool, dry place. If pregnant or breastfeeding, consult your healthcare professional before use. KEEP OUT OF REACH OF CHILDREN. Do not use if either tamper-evident seal is broken or missing.

This product is derived from fresh, sweet milk whey that is further processed by ultrafiltration and agglomeration procedures. The Lactose content is 4.6%.
