Elite EPA Gems® provide 1,000 mg of concentrated EPA in a single soft gel. EPA is an important omega-3 that supports cardiovascular function by helping to maintain healthy normal triglyceride levels, blood vessels, circulation, and arterial wall elasticity.* Elite EPA Gems are sourced from deep, cold-water fish, and like all Carlson omega-3s, freshness, potency, and purity are guaranteed.

✓ **Gluten-free** ✓ **No Artificial Preservatives**

PURITY GUARANTEED

This product is regularly tested by independent FDA registered laboratories. It has been determined to be fresh and fully potent (per AOCs international protocols) and is free of detrimental levels of mercury, cadmium, lead, PCBs and 28 other contaminants.
