

BreastDefend® Professional is a proprietary formula that works by targeting cell-signaling pathways and other mechanisms of action to promote healthy cell behavior, favorable hormone metabolism, and optimal immune function. Its unique benefit for healthy breast cell behavior is attributed, in part, to promoting favorable gene expression as seen in the formula's multiple research studies.*

- Supports Breast & Overall Cell Health*
- Promotes Healthy Hormone Balance*
- Helps Support Immune Defense*

BreastDefend® Professional is Vegan/Vegetarian Safe, Gluten-free and Non-GMO
