

PectaSol-C® Professional Modified Citrus Pectin is a natural blocker of galectin-3 (Gal-3), an aging biomarker. Research shows that modifying Gal-3 levels in the circulation supports healthy aging, cellular function, cardiovascular health and immune response. Clinically studied PectaSol-C® Professional is a low molecular weight pectin extracted from the pith of citrus fruit peels, which increases its absorption into circulation to provide systemic benefits.*

Natural tangerine flavor with a touch of natural sweetness gives this daily on the go chewable tablet a tasty and tart flavor.

- Supports Healthy Aging & Longevity*
- Supports Healthy Tissue Function by Gal-3 Blockade*
- Supports Healthy Immune Function*

PectaSol-C® Professional Natural Tangerine Flavor is Vegan/Vegetarian Safe, Gluten-free, Non-GMO

PectaSol-C is protected under US Patent Nos. 8,426,567; 8,916,541; 9,427,449 & 9,649,329.
