†As Tolerase® G. Tolerase® is a registered trademark of DSM.

Directions: Take 2 capsules with each meal or as directed by your healthcare practitioner.

This product is non-GMO, vegetarian, and gluten-free.

Caution: If pregnant or nursing, or taking medication or other nutritional supplements, consult your healthcare practitioner before use. Keep out of the reach of children.

Notice: Tolerase® G is not intended to replace a gluten-free diet. Tolerase® G is not intended to treat or prevent celiac disease.

Storage: Keep in a cool, dry place.

SpectraZyme® Gluten Digest is an advanced gluten digestion support formula that contains one of the latest breakthroughs in supplemental enzyme research—Tolerase® G, a non-animal-based enzyme that has been shown to effectively break down gluten. This formula is designed to offer a more timely, effective approach for those sensitive to gluten in wheat, barley, rye grains, and other gluten sources.*
