

POWERFUL FORMULA PROVIDES NEW HOPE FOR DIETERS!

A proper diet and regular exercise plan are keys to losing inches and pounds. Now, with support from hCG ALTERNATIVE™ you can push toward your goals with greater confidence.

Synergistic Support For
Metabolism + Focus + Fat Loss*

Formulated with key ingredients recognized for their role in weight management support, hCG Alternative offers a unique solution to those looking to lose weight. No stimulants, no hormones – just the quality ingredients needed to get you started on the road to a healthier you. Green Tea Leaf Extract has been extensively studied in human clinical trials for its effects on metabolism and weight management via reduced body fat; L-Carnitine has been shown to support definition and tone; and L-Arginine supports exercise endurance.*
