capsules

ARGININE

- ✓ Healthy circulation is important for a healthy heart.
- ✓ Arginine is an amino acid and a precursor for the synthesis of nitric oxide in the body.

DIRECTIONS:

Take 3 capsules each morning and each evening, on an empty stomach, or as your health professional advises. Do not exceed recommended daily intake.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

WARNING:

Consult your health professional before taking if suffering from Herpes Simplex (cold sores).

Note: This product will not raise blood pressure.
