PRODUCT INFORMATION:

One capsule typically provides:

Conjugated linoleic acid (CLA) min. 80%	1000mg

INGREDIENTS:

Safflower oil providing octodecadenoic acid (minimum 80% as conjugated linoleic acid), capsule shell: gelatine (bovine), glycerine.

DOES NOT CONTAIN:

Artificial colours, flavourings or preservatives, corn, dairy products, gluten, lactose, maize, salt, soya, starch, sugar, wheat, yeast.

Our CLA is derived from safflower oil and provides 34% t11, c9 and 36% t10, c12 isomers.

STORAGE:

Store in a cool, dry, steam free environment out of reach of children. A white precipitate may naturally appear in the product in cold temperatures. This does not affect the efficacy or quality of the oil and will disappear at room temperature.

This product is not tested on animals.
