5

*Digestive System Health**
*Absorption of Nutrients**
*Immune System Function**

No Refrigeration Needed

30 BEADS

DIETARY SUPPLEMENT

Part # 22-32968

Suggested Use: For adults, take one (1) to two (2) beads daily, preferably with a meal.

Solgar's Advanced Multi-Strain Pro-Bio Beads are specifically formulated in a unique shell that is designed to release the active bacteria in the intestines where they are most beneficial for this proprietary blend of acidophilus. The proprietary blend of *Lactobacillus plantarum*, *Bifidobacterium lactis*, *Bifidobacterium bifidum*, *Lactobacillus acidophilus*, and *Bifidobacterium longum* helps balance intestinal microflora for digestive system health. A healthy digestive system supports a favorable environment for the absorption of nutrients. Probiotics are also important for supporting a healthy immune system.*

No refrigeration needed.
