

VESISORB®

FOR OPTIMAL ABSORPTION
AND BIOAVAILABILITY

QH-Ubiquinol, sometimes called "active Q" is the reduced (active antioxidant) form of CoQ10. OptiChoice® Ubiquinol utilizes the patented VESIsorb® colloidal droplet delivery system for dramatically improved absorption.* Higher absorption translates into increased support of the cardiovascular system, reduced production of free radicals, improved function of the mitochondria, and more energy, stamina and endurance.*

VESISORB® REGULAR UBIQUINOL SOFTGELS

1 OptiChoice® Vesisorb® Ubiquinol softgel
equals 6 regular Ubiquinol softgels

VESIsorb® is GREEN TECHNOLOGY.
