

OSA™ Technology

Optimal Absorption and Bioavailability

Lepti**PURE**™ is a patented, synergistic combination of two powerful botanical extracts that supports stable blood glucose levels and healthy cholesterol & triglyceride levels; all while promoting healthy weight management and aiding in blood pressure modulation; all critical metabolic health markers.*

OSA™ technology captures the most potent and bio-active parts of the plant to deliver superior health benefits such as optimizing the ratio of vital hormones Leptin (lower is better) and Adiponectin (higher is better) responsible for supporting healthy weight management naturally.*

LeptiPURE™ Supports the Natural Balance of Weight Management Hormones*
