

NO SUGAR CRASH^Δ + NO BITTER TASTE + NO JITTERS^Δ + NO BITTER TASTE

NEW LOOK! SAME GREAT FORMULA!

RECOMMENDED USE:

For all-day energy, and to reduce fatigue, swallow 2 ENERGIZE tablets with a full glass of water. Begin use with one-half the recommended dose for the first week (one tablet once a day). **DO NOT EXCEED 4 TABLETS IN ANY 8-HOUR PERIOD.**

WARNING:

KEEP OUT OF REACH OF CHILDREN.

Not intended for use by persons under the age of 18. Consult with your primary physician prior to use if you have any pre-existing medical conditions, including high blood pressure, thyroid problems, nervous disorders, or if you are using MAO inhibitors or taking any prescription drugs. Each sustained-release tablet contains 98 mg of caffeine. Individuals who are sensitive to caffeine should begin use with one-half the recommended dosage and limit the use of other caffeine-containing foods and drinks while taking this product because too much caffeine may cause nervousness, irritability, and sleeplessness.

WARNING: For California residents only: This product contains substances known to the state of California to cause cancer, birth defects or other reproductive harm. Do not use if pregnant or lactating. Do not use if packaging has been tampered with. **STORE IN A COOL, DRY PLACE. AVOID EXCESSIVE HEAT.**

ONE BOTTLE OF ENERGIZE GIVES YOU AS MUCH ENERGY AS 42 BOTTLES OF ENERGY SHOTS!

FAST ACTING, LONG LASTING ENERGY!

Developed by a doctor, just two ENERGIZE tablets gives you the fast-acting energy you need to get through your busy day. ENERGIZE delivers the caffeine of most energy products but its time-release formula has been shown in a clinical study to last up to eight hours.* So there's **NO RUSH** at the start, **NO JITTERS**, and **NO SUGAR CRASH**.

EASY TO SWALLOW COATED TABLETS, SO NO BITTER TASTE!

Avoid any of the bitter taste typical of liquid energy shots and other caffeinated products.

LESS THAN 1/2 THE COST OF LEADING SHOTS!

Compared to the cost per serving of other energy products, ENERGIZE gives you a higher value of all-day energy in every bottle!
