

**DIRECTIONS FOR USE:** As a dietary supplement, adults take two servings (2 capsules) 30 minutes prior to your first meal. To assess your tolerance, start by taking one (1) capsule the first time you use this product. Do not exceed 2 capsules per day. Do not take within four (4) hours of sleep. LIPO-DREX can be used on its own or with other dietary supplements that do not contain caffeine or other stimulants. To be used as part of a resistance training program.

## Supplement Facts

| Serving Size: 1 Capsule                                                                                                                       |                    |      |
|-----------------------------------------------------------------------------------------------------------------------------------------------|--------------------|------|
| Servings Per Container: 60                                                                                                                    |                    |      |
|                                                                                                                                               | Amount Per Serving | % DV |
| <b>C3GMAX™ Nutrient Partitioning/Cutting Matrix</b>                                                                                           | <b>318mg</b>       |      |
| Annona (Annona melanoscarpa) (Fruit) Powder, Purple Corn (grain) Extract, Blackberry (berry) Extract (Standardized to Cyanidin-3-O-Glucoside) |                    | ↑    |
| Green Tea (leaf) Extract (std. to 98% polyphenols, 45% EGCG)                                                                                  |                    | ↑    |
| Coleus Forskohlii Extract (root) (std. min. 10% Forskohlii)                                                                                   |                    | ↑    |
| N-Acetyl L-Carnitine (as Acetyl-L-Carnitine HCl)                                                                                              |                    | ↑    |
| Berberine HCl                                                                                                                                 |                    | ↑    |
| <b>THERMO-VAR Thermo-Burn Matrix™ / Appetite Control</b>                                                                                      | <b>327.5mg</b>     |      |
| Caffeine Anhydrous (199.5mg)                                                                                                                  |                    | ↑    |
| Yohimbe (Pausanotale yohimbin) (bark) Extract (supplying 2.0mg Yohimbine)                                                                     |                    | ↑    |
| L-Sinethine (as L-Sinethine HCl)                                                                                                              |                    | ↑    |
| Cayenne Powder (Fruit) (Capsaicin anisole) (std. to 40,000 HU/gram) (Capsitherm™)                                                             |                    | ↑    |
| Black Pepper (Fruit) Extract (Piper nigrum) (std. 95% piperin) (BioPerine™)                                                                   |                    | ↑    |
| <b>ATTAK™ Mental Drive Complex</b>                                                                                                            | <b>62.5mg</b>      |      |
| Theacrine (TeaCrine®)                                                                                                                         |                    | ↑    |
| Bacopa (Bacopa monnieri) (leaf) (std. to 20% Bacosides)                                                                                       |                    | ↑    |
| Theobromine (Theobroma cacao) (seed) Extract (TheoDrene™)                                                                                     |                    | ↑    |
| † Daily value (% DV) not established.                                                                                                         |                    |      |

**OTHER INGREDIENTS:** Gelatin (capsule), Microcrystalline Cellulose, Vegetable Magnesium Stearate, Silicon Dioxide, Titanium Dioxide, Blue #1, Red #40.

**WARNING: KEEP OUT OF REACH OF CHILDREN. THIS IS A STRONG FORMULA.** Consult a physician before use. Not intended for use by persons under the age of 18, or if you are pregnant, nursing or contemplating pregnancy. Do not exceed recommended dose. Do not consume caffeine from other sources, including, but not limited to, coffee, tea, soda, or other dietary supplements or medications containing caffeine. One serving of LIPO-DREX contains as much caffeine as a large cup of coffee. Do not use for more than eight consecutive weeks. Consult with your physician prior to use if you are taking any medications, including but not limited to MAOI inhibitors, antidepressants, anxiolytics, non-steroidal anti-inflammatory drugs, or products containing phenylephrine, ephedrine, pseudoephedrine, or other stimulants. Consult your physician prior to use if you have a medical condition including but not limited to heart, liver, kidney, or thyroid disease, psychiatric or epileptic disorders, difficulty urinating, diabetes, high blood pressure, cardiac arrhythmia, recurrent headaches, enlarged prostate, or glaucoma. Discontinue use 2 weeks prior to surgery or if you experience rapid heartbeat, dizziness, severe headache, or shortness of breath. Use only as directed. Do not use if packaging has been tampered with. STORE IN A COOL DRY PLACE. AVOID EXCESSIVE HEAT.

## THE LIPO-DREX™ DIFFERENCE

LIPO-DREX is a unique, high potency, custom engineered fat burner that employs cutting-edge technology known as "nutrient partitioning".

### NUTRIENT PARTITIONING

Carbohydrates and Fat From Your Diet

LIPO-DREX  
WITH  
C3GMAX™  
(Cyanidin-3-O-glucoside)

Activates AMPK  
(5' AMP - Activated Protein Kinase)

Decreasing size of  
Fat Cells

Increasing size of  
Muscle Cells

Nutrient partitioning not only helps drive the fat loss process, but diverts nutrients like fat and carbs from being stored as fat to being stored in the muscle. This is what contributes to the critical process of muscle maintenance. If you want to transform your body by losing fat and ensuring your muscles are in the best shape possible then LIPO-DREX is the only choice for you. LIPO-DREX is designed with the sole purpose of helping you to Lose The Fat and Keep the Muscle!<sup>1a</sup>
