*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Coenzyme Q10 is a fat soluble vitamin-like compound that plays an important role in cardiovascular health. Organs with the highest energy requirements, such as the heart, have an increased need for high concentrations of CoQ10 for the production of energy. This all natural, crystal-free form of CoQ10 uses a patented lipid blend that enhances its bioavailability and absorption in the human body.*

RECOMMENDATION: Take one capsule once or twice daily.

As with any nutritional product, please consult your physician before use, especially if pregnant, lactating, or have a known medical condition.

KEEP OUT OF REACH OF CHILDREN.

Store in a cool, dry place. Do not use if seal is broken.
