

Consult your healthcare professional prior to use if you have or suspect a medical condition, are taking any medications, or are pregnant or nursing. Temporary flushing, itching or warming of the skin may occur. Do not use without the advice of your physician if you consume more than modest amounts of alcohol, have poorly controlled diabetes, liver disease, gout, active peptic ulcer disease, or unstable angina.

STORE IN A COOL, DRY PLACE. Keep out of reach of children. Do not use if seal is broken or missing. This product has a distinct botanical aroma. Formulated for steady release over 5-7 hours.
