

Highest-quality, biologically complete soy protein, and an extra energy boost. Shaklee Energizing Soy Protein provides 14 grams of the highest-quality non-GMO soy protein with all the amino acids, including the nine essential ones your body needs but cannot manufacture itself. And unlike protein from meat, eggs, and dairy, it's naturally low in fat. It's also naturally lactose and cholesterol free.

Shaklee Energizing Soy Protein helps sustain energy and ward off hunger. It also contains five essential B vitamins, half the Daily Value for calcium, and soy isoflavones associated with heart, bone, breast, and prostate health.* Studies have shown that soy helps regulate hormonal balance during the transitional period of menopause.* This non-GMO soy protein is produced under an Identity Preservation Program (IPP), which means that the soybeans are tightly monitored and controlled from planting through processing.

Gluten free. No artificial flavors, sweeteners, colors, or preservatives added. Caffeine free. Vegetarian formula.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction. Shaklee recommends the Shaklee 180® Weight Loss Program for weight management.

NOTICE: Should not be used by infants under one year of age without consulting a physician.

OTHER INGREDIENTS: COCOA PROCESSED WITH ALKALI, NATURAL COCOA FLAVOR, SOY LECITHIN, GUAR GUM, POTASSIUM CHLORIDE.

Distributed by Shaklee Corporation
4747 Willow Road, Pleasanton, CA 94588

DIRECTIONS: Mix 3 tablespoons of Shaklee Energizing Soy Protein with a glass of milk, juice, water, or your favorite beverage. Optional: add fruit and blend.

Amino Acids: Shaklee Energizing Soy Protein contains a full complement of amino acids, nonessential and essential. The nine essential amino acids cannot be manufactured by the body and must be obtained from the diet. One serving of Shaklee Energizing Soy Protein delivers approximately the following amounts of all nine essential amino acids:

Histidine.....	340 mg	Phenylalanine...	730 mg
Isoleucine	540 mg	Threonine	530 mg
Leucine	1,160 mg	Tryptophan	190 mg
Lysine.....	900 mg	Valine	690 mg
Methionine	180 mg		

Product sold by weight only, not by volume. Settling will occur in shipping and handling.

MANUFACTURED IN A FACILITY THAT MAY ALSO PROCESS PEANUTS, TREE NUTS, MILK, EGG, SOY, WHEAT, SHELLFISH, AND FISH.
